

Sharing Information

How we share your details to others

This form is designed with **simple English** & **pictures** for easy understanding

Why we share your information?

For you to get best support from other service providers

What are your personal details?

- Your Name

- Age

- Address

- Phone number

- Family details

- Work details

- Medical reports

- Your Picture

Will we share your personal information without your knowledge?

Yes, for emergency medical treatments ...

... Or when requested by law enforcement agencies

All other times, we will share your details only after asking you or your Guardian

What is a consent form?

It is a form to give your **permission** to us for **sharing your details** to other parties

Who can fill Consent form?

Option 1: Our **TAUS care**™ staff can explain the questions and help you to fill out the consent form

Option 2: Your Guardian also can answer and fill out this consent form on behalf of you

What you should know when sharing your details to others?

TAUS care™ staff should explain **why** it is important to share your details to others

You should know **what** details about you & to **whom** it is shared
