

Individual Emergency Plan

How we plan for your safety during emergency

This form is designed with **simple English & pictures** for easy understanding

What is Individual Emergency Plan?

A plan to help you during emergency situations. Example - Flood, Bush Fires etc.

It is prepared only for you based on your health needs, home design, location etc.

This plan will tell you the important things to do during emergency situations

What is Individual Emergency Plan?

This plan may include the below

contact details of Ambulance, police, fire services, your family etc.

floor plan of your home

help that you need to relocate. Examples - wheelchair, stretcher etc.

What is Individual Emergency Plan?

This plan also may include details about

place where your home
keys are kept

relocation plan for
your pets

emergency contact for
utility providers like gas,
electricity, water etc.

What is STAY KIT?

Items that you need to **stay inside** home during emergency is called STAY KIT

STAY KIT will include

- food items
- medicines
- torch
- toiletries
- other essentials

Keeping a STAY KIT will help you to stay at home **safely** during emergency

What is GO KIT?

Items that you should carry if you are moving **out of home** during emergency is called GO KIT

GO KIT will include

- change of clothes
- snacks
- torch
- valuables & documents
- other essentials

Keeping a GO KIT will help you to move to a **safer place & protect** your valuables

Other details you should know

We will keep your family **informed** about your safety during emergency

TAUScare™ staff will prepare this plan by **discussing with you**

One copy of the plan will be in **your home** and one copy will be with **TAUScare**™
